This PLUS That

Designed by Marc Gurwitz

This Plus That is a logic deduction game in which players will be using their cards to describe their secret animal to the other players.

Can you put together a winning formula and figure out what your opponents' animals are?

3-6 Players

20 Minutes

Ages **8+**

HOW TO PLAY:

- Using their hand of animal cards and +/- cards, players build a formula for their selected animal.
- All formulas are revealed, and all players try to guess which animals their opponents have.
- Score points for guessing other players' animals correctly and for other players guessing yours!

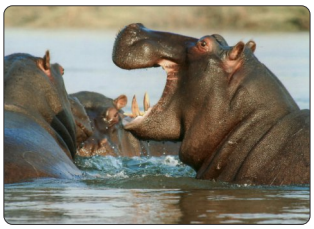

FEATURES:

- Simple gameplay, easy to pick up
- Simultaneous play
- Variable game length
- Player-driven communication and deduction

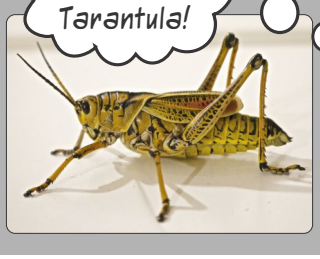

COMPONENTS:

100 Animal cards
18 +/- cards
9 Selection cards
Player components:
- 6 Player tokens
- 6 Dry-erase boards
- 6 Dry-erase markers
- 6 Score trackers
